

WOMAN DIES ON FLIGHT FROM CHINA TO LOS ANGELES

News / Airlines

A woman died while on a Delta [Airlines](#) flight from Shanghai, China to Los Angeles Tuesday afternoon.

Delta Airlines flight 186 arrived at Los Angeles International [Airport](#) shortly after 6:00 p.m. The woman appeared to have an unknown medical condition, according to airline officials.

One of the passengers on board was a doctor and attempted to assist the woman. She died before the flight landed. Los Angeles City Fire officials and paramedics headed to the airport and said the woman was in cardiac arrest.

The Los Angeles County coroner's office was investigating her cause of death and determining her identity.
