

28% GROWTH FOR OMAN AIRPORTS

News / Airports / Routes

Oman Airports recorded astonishing growth at Muscat International in passenger numbers, reaching up to 28% at 863,636 of total passengers in the month of July 2015; comparing to 674,966 of total passengers for the same period last year July 2014.

Muscat International Airport has managed to continue the inbound and outbound passenger growth each year, insuring an outstanding customer experience to all passengers. Kindly visit Oman Airports' page on www.routesonline.com for more information on our Airports.
