

NEW GENERAL AVIATION TERMINAL OPENED AT TIRANA AIRPORT

News / Airports / Routes, Business aviation

A brand new General Aviation Terminal has been opened at Tirana Mother Teresa Airport (TIA/LATI) in Albania. The GAT is officially called “Private Terminal & Exclusive Club” and offers an exclusive lounge, VIP meeting room, cigar room, shopping area and waiting area. The use of the GAT is optional, passengers and crew can also pass through the Main Terminal.

Tirana Airport GAT offers the following services:

- Service to both passengers and crew, can be booked also for groups
- 1 security checkpoint and 1 passport control
- Airport control and process completely queue free
- Assistance to passengers by a personal host
- Complimentary snacks and beverages served in the lounge
- Special VIP transport within ramp
- Open 24/7, booking request preferred to be sent at least 24 hours prior

Euro Jet Albania is led by our Country Manager, Behare Hallaqi. Behare and her local team are prepared to assist with all aspects of your flights into and from Tirana Mother Teresa Airport (TIA/LATI). The team is ready to assist you with booking the GAT services and with all other aspects of your flights to and from Tirana, including ground handling support, jet fuel, landing and overflight permits, flight planning, flight riding, in-flight catering, crew accommodation and transportation.
