

2023 SHOWS STRONG GROWTH FOR GENEVA AIRPARK

News / Business aviation

The first indicators for 2023 promised a very positive year for Geneva Airpark. The final overall results have confirmed this growth trend, with figures clearly up, by more than 4.5%, 10% or even 56% depending on the activity, compared with 2022.

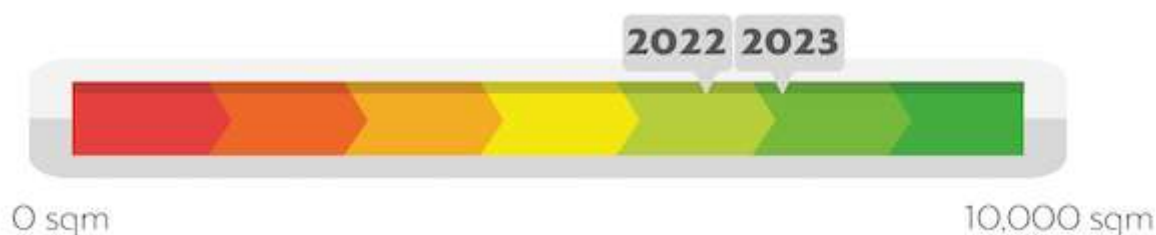

Turnover 2023 vs 2022

- Global 2023: + **16%**
- Total services: + **21.25%**
- Daily sheltering packages: + **56%**, the third best year after 2017 and 2018

Hangar occupancy in 2023

- Total average annual surface area: **+ 6.71%** (ie 7,466m²) compared with 2022 (6,996m²)

Aircraft traffic in 2023

- Total number of aircraft days: **+ 4.8%** ie 4,335 aircraft
- Average number of aircraft per day: **+ 4.42%** ie 12 aircraft per day
- **+ 4 avions** under annual contract for a total of 20 aircraft

PART-145 certified Geneva Airpark has been based at Geneva Airport since 2009, and offers a comprehensive range of services for business aviation. Geneva Airpark has a 10,000m² hangar, which is part of 20,000m² of facilities (also including tarmac, offices, car parks), which are directly

accessible from the runway next to Geneva Airport's dedicated business aviation Terminal C3.
