BEYOND AIRCRAFT TRANSACTIONS - 10 YEARS OF MENTE GROUP SUCCESS

News / Business aviation

10 years of success, of growth, of happy clients, of further development, national and international...Mente Group is celebrating its10th anniversary this month! Since its founding in Dallas by President and CEO Brian Proctor in 2009, the company has successfully handled more than $3.5 billion in aircraft transactions, saving customers more than $200 million.

"We have attracted the very best aircraft transaction experts and recruited excellent professionals to lead our consulting practices in asset advisory services, aircraft completion management, strategic, operational and technical consulting, and talent management, in addition to executing precise aircraft deals," Proctor said. "Over these past 10 years, we have been privileged to serve a strong field of clients who have been able to take advantage of excellent counsel in managing their aviation assets and activities."

During the first 10 years of the company's existence it has expanded its offices beyond Dallas to include industry experts in Boston, Chicago, Denver, New York, Portland, San Francisco, Scottsdale, and Europe. In addition, it has doubled its Dallas headquarters office space with a recent move to North Dallas' HALL Park in Frisco, Texas.

The company's professionals have performed 150 flight operation audits, handled more than $10.5 billion in aircraft transactions, compiled more than 60 years of aviation experience, and executed more than 500 business jet deliveries. Mente has developed proprietary algorithms and advanced modeling capabilities involving millions of complex data points along with the aviation management expertise to provide superior customer solutions.

The company offers completion management services to include interior outfitting oversight and new business aircraft delivery. Mente serves large corporations, growth companies and private individuals worldwide.
