

FACILITY GRAND OPENING CELEBRATION - LNS ALLIANCE AVIATION

News / Airports / Routes, Business aviation

LNS Alliance Aviation—the sole full-service FBO at Lancaster Airport (KLNS)—announces the opening of its brand-new facility with a week-long celebration beginning June 21. The new 6,700-square-foot, two-story facility features a bright, natural aesthetic finished with mid-century-modern inspired fixtures and furnishings for a chic, yet comfortable, environment. The FBO was designed and constructed with the needs of discerning travelers in mind, which is made evident by its wide range of amenities, including: a large conference room with seating for 12; an inviting passenger lounge featuring a wall of windows overlooking the ramp; access to free coffee, hot chocolate and teas; a prep kitchen complete with a commercial coffee pot, catering refrigerator and dishwasher; an expansive pilot lounge and game room; two pilot snooze rooms with lounge chairs; a shower; a flight planning office complete with computers and a printer; a courtesy car; and several office spaces.

Those interested in touring the facility as part of the FBO's week-long grand opening event can contact the LNS Alliance Aviation team at 717-735-9507 or alliance@lancasterairport.com to setup an appointment. Touring guests during the grand opening celebration will receive gift bags and special local treats, while supplies last. The unique week-long setup allows the FBO to welcome as many guests as possible to its

grand opening celebration while maintaining a safe, healthy, comfortable environment for all who wish to visit.

In addition to its new facility, the FBO also offers hangar space on an as-needed basis, as well as easy access to a restaurant and rental cars right outside the FBO's door. As a full-service FBO, LNS Alliance Aviation provides reliable aircraft services, including aviation fuel, aircraft parking, GPU and preheating, de-icing and lav service, and concierge services for rental car, cab, limo and hotel arrangements.

Located in the heart of Lancaster County, LNS Alliance Aviation's helpful and friendly staff, new facility and abundant amenities welcome pilots, planes and passengers to the airport for prolonged stays and quick turns alike.

"It has been our pleasure to serve general and business aviation traffic at the Lancaster Airport since 2008," said Mary Forney, general manager of LNS Alliance Aviation. "To now welcome traffic to our brand new facility is beyond words. We're excited to offer the level of amenities only matched by our level of service to provide an exceptional gateway to the Lancaster community."

As an Avfuel-branded FBO, LNS Alliance Aviation provides customers with lucrative rewards with AVTRIP and competitive prices with Avfuel Contract Fuel. In addition to contract fuel, customers will benefit from transaction ease when using the Avfuel Pro Card at LNS Alliance Aviation with the ability to put everything—fuel and non-fuel items with or without a fuel purchase—on one transaction, avoiding processing fees.
