

PREMIER AIR CHARTER GRANTED FAA APPROVAL TO INITIATE PRIVATE AIR CHARTER SERVICE TO HAWAIIAN ISLANDS

News / Business aviation

Premier Air Charter has been granted approval by the FAA to commence private air charter service to the Hawaiian Islands. This significant milestone opens up new horizons for discerning travelers seeking unparalleled comfort and convenience in air travel. With FAA's stamp of approval, Premier Air Charter is poised to offer exclusive access to the breathtaking beauty and allure of the Hawaiian Islands. Whether for leisure or business, clients can now enjoy seamless and personalized travel experiences to this tropical paradise.

Ross Gourdie, CEO at Premier Air Charter, commented: "We are delighted to announce our FAA approval to commence private air charter service to the Hawaiian Islands. This achievement underscores our commitment to providing our clients with unparalleled luxury, convenience, and safety in air travel. With our fleet of top-of-the-line aircraft, including the Challenger 601, we look forward to offering unforgettable experiences as travelers embark on their journeys to Hawaii."

One of the standout aircraft in Premier Air Charter's fleet is the Challenger 601, renowned for its

exceptional performance, spacious cabin, and luxurious amenities. With its long-range capabilities, the Challenger 601 ensures a smooth and comfortable journey for passengers, making it the ideal choice for travel to the Hawaiian Islands. Premier Air Charter's dedication to excellence extends beyond its aircraft, encompassing personalized service, attention to detail, and uncompromising safety standards. As travelers embark on their Hawaiian adventures, they can trust Premier Air Charter to deliver a seamless and unforgettable journey from start to finish.
