

SPANISH BUSINESS AVIATION EVENT 2025, THE THIRD EDITION, WITH A NEW LOCATION AND STATIC AIRCRAFT EXHIBITION

News / Business aviation

The Spanish Business Aviation Association is set to host the third edition of the Spanish Business Aviation Event (SBAE 2025) on November 5–6 at the prestigious Real Aeroclub de España in Madrid. This key industry event will bring together leading figures in business aviation from Spain and across Europe. This year, the SPBAA has chosen a new venue — the iconic RACE — which will allow for a static display area featuring three to four executive aircraft, giving attendees a rare opportunity to explore different platforms up close.

SBAE 2025: objectives and structure

Qualified Networking: Round tables, open debates, and B2B meeting spaces will facilitate strategic connections.

Institutional Visibility: High-level representatives from the Spanish government are confirmed to attend, strengthening public-private dialogue.

Sector Agenda: Key topics will include sustainability, ReFuelEU regulation, operating licenses, service costs, and market trends.

Event details

Date: November 6, 2025 (with welcome cocktail on the evening of November 5)

Time: 09:30 AM – 7:00 PM (Welcome cocktail on Nov 5 from 6:00 PM – 9:00 PM)

Location: Real Aeroclub de España, Ctra. Barrio de la Fortuna, Latina, Madrid

Backed by the industry

With close to thirty member organizations, including operators, FBOs, MROs, and legal and tax advisors, the SPBAA continues to establish itself as the unified voice of business aviation in Spain. The current Board of Directors, led by President Olivier Poncet, reaffirms its commitment to sector growth and strengthened dialogue with regulatory authorities.

“SBAE 2025 will be more ambitious than ever: a new venue, static display, enhanced institutional presence, and top-tier content tailored to our industry.”

Why attend?

Commercial visibility and brand positioning in front of key decision-makers.

Direct access to top executives from regulatory bodies and operators.

Sponsorship opportunities, with high-impact visibility during the event and at pre-event activities.
