

WESTON AVIATION - BACA BEST FBO OF THE YEAR AWARD FOR THE SECOND SUCCESSIVE YEAR

News / Business aviation

Weston Aviation, the UK and Ireland based FBO and Business Aviation services company has won, for the second year running, the prestigious Best FBO/Ground Handler Award at the annual BACA - The Air Charter Association Awards held at the Guildhall in the City of London.

The award is voted for by the BACA membership which is formed from charter brokers, aircraft operators, airport authorities and support companies and is a highlight of the business aviation calendar each year.

Commenting on the Award, CEO and founder of the Doncaster Sheffield airport headquartered company, Nick Weston was delighted at the achievement. "We were all extremely proud to win the BACA Award last year and to win again against high quality nominees is testament to all the hard work, dedication and quality of service of all of our teams at our FBO locations. This award is voted for by our customers and users of our facilities so it reinforces that the direction we are taking the company is right and providing a quality service."
