

WESTON AVIATION HAVE AGREED TERMS TO OPEN A NEW BUSINESS AVIATION CENTRE AND FBO AT GLOUCESTERSHIRE AIRPORT

News / Airports / Routes, Business aviation

Weston Aviation, the UK and Ireland based FBO and Business Aviation specialist have agreed terms to open a new Business Aviation Centre and FBO at Gloucestershire Airport (EBGJ/GLO).

Weston Aviation CEO and founder, Nick Weston said “We are delighted to be opening a new FBO facility at Gloucestershire Airport and this will be an exciting addition to our network of four locations in the UK and Ireland. Gloucestershire Airport is based in a location that offers significant potential for the development of business aviation growth and activity as well as encouraging new users of private air travel to and from the region.”

Mark Ryan, Managing Director of Gloucestershire Airport said, “We are delighted to announce Weston Aviation as our preferred FBO service provider and welcoming them to the airport in November.”

Established in 1995, Weston Aviation is the second largest FBO network in the UK and Ireland in terms of locations with additional FBO facilities at Cornwall Airport Newquay, Humberside International Airport and Cork Airport in Ireland. Weston Aviation also provides aircraft charter services, aircraft leasing and fuel services.

Gloucestershire Airport is renowned as the busiest general and business aviation airport in the country. We have a brand-new reception area in our terminal building and a number of exciting initiatives coming up too, including significant investment in infrastructure on the aerodrome, such as modern aircraft hangars and business units.
