

JOIN TO CELEBRATE - 400TH BLUEBERRY AVIATION HELICOPTER TRANSACTION

News / Business aviation, Events / Festivals

The benchmark of 400 helicopter transactions is reached by Blueberry Aviation for a moved asset value totalling 1 billion USD and 150 commercial aircraft transactions for a total asset value of 3.3 billion USD since 2003. In 2019 Blueberry Aviation successfully completed 28 helicopter transactions covering all major helicopter brands, mission types and regions. Blueberry Aviation sees consistent results in spite of a market that remains tense.

François Gautier, Blueberry Aviation's CEO comments "We believe used equipment is the key to operators regaining profitability in a difficult economic environment and Blueberry Aviation is keen to support its customers to acquire used aircraft, in particular by sourcing financing solutions. I am extremely proud we have reached this incredible result of 400 helicopter transactions. This is a great opportunity to thank our long standing helicopter customers for their continued trust and loyalty, and my staff for continuing to make Blueberry Aviation a very unique and exciting company. "

"We strongly believe that the pre-owned helicopter market not only offers huge opportunities, but that it will be instrumental in reshaping the global helicopter industry and allow it to regain buoyancy " adds Aubrey Point, Blueberry's Executive VP ,"We continue to identify opportunities to deliver great value to the market. Our success is largely due to our professionalism and incredible team expertise."

Blueberry Aviation is proud to launch a fully revamped website with a fresh look, new features, and easier access to available aircraft and news on blueberryaviation.com
