ROTORTRADE PARTNERS WITH GUALTER HELICOPTER BRAZIL

News / Business aviation, Events / Festivals

Rotortrade Services is very pleased to announce the appointment of Gualter Helicopter as exclusive distributor in Brazil.

Rotortrade Services is a leading international helicopter dealer and sole global distributor of Leonardo's pre-owned helicopters and Gualter Helicopter is a company that specializes in the sale of aircraft with focus on executive aviation in Brazil. Rotortrade Services continues in its plans to develop new markets and collaborate with outstanding international aviation companies. Gualter Helicopter has a proven track record of offering its customers excellent service and value to meet all their helicopter needs. This network agreement will allow Rotortrade & Gualter to offer the customers a wider selection of pre-owned helicopters into and from Brazil.

About Rotortrade Services

Founded in 2012 in Singapore, Rotortrade Services is an independent helicopter dealer and sole global distributor of Leonardo's pre-owned helicopters. Its extensive network throughout the spectrum of the industry enables it to carry a broad fleet of aircraft from all major manufacturers. The company's comprehensive range of end-to-end services includes: pre-sales purchase inspection and evaluation, maintenance and retrofit management; and post-delivery: selected OEM warranty on airframes and engines. Led and privately owned by several industry veterans Rotortrade Services currently has offices in Paris, Kuala Lumpur, Los Angeles, Mexico City, Montreal and Singapore as well as affiliations with exclusive network partners around the world.

About Gualter Helicopter

Gualter Helicópteros specializes in the sale of aircraft in the general and executive aviation in Brazil. Their team has more than 30 years of experience in the market and currently has the largest register of Brazilian aircraft between fixed wing and helicopters. It was founded by Gualter Pizzi, who began his career in the industry in 1987 at Helibras and is responsible for civil and military sales in the states of north, northeast, Espírito Santo and Rio de Janeiro. In 2000 he became the commercial director of Audi Helicopters where he remained until 2002 and he later re-joined the company in 2008 till 2014. During this period he was responsible for the significant increase in sales of Robinson helicopters and the introduction of the R66 Turbine in Brazil.
