

AN EXCLUSIVE REPRESENTATION DEAL WITH DESHONS HYDRAULIQUE LANDED BY FL TECHNICS

News / Maintenance / Trainings

FL Technics, a global provider of integrated aircraft maintenance, repair and overhaul services, a part of Avia Solutions Group, has just signed an exclusive representation agreement with French hydraulic solutions company Deshons Hydraulique.

FL Technics will now be a representative of a company that has a proven experience and expertise in a worldwide market of mobile hydraulic servicing carts, hydraulic power packs and other equipment related to aeronautical maintenance field.

'I am more than happy with the outcome of our long work. I hope that cooperation with Deshops Hydraulique will open even more doors for us,' says Zilvinas Lapinskas, CEO at FL Technics.

FL Technics will exclusively represent Deshons Hidraulique in bigger part of Europe, as well as CIS countries, Thailand, with the products for civil commercial aircraft and helicopters for operators and MRO services.

'I hope this is just a first step in our cooperation with this rapidly growing and a leading player in MRO industry. FL Technics proved us not once that they are a reliable partner and if everything goes according to our agreements, our common work will grow to be even more beneficial to both parties," says Sophie DESHONS-DOSSETTO, Managing Director of Deshons Hidraulique.
