

TWO ALSIM ALX SIMULATORSTO BE DELIVERED TO PRINCE SULTAN AVIATION ACADEMY

News / Maintenance / Trainings

Alsim has announced **Prince Sultan Aviation Academy** (PSAA) recently acquired two ALX simulators, full versions, which will be delivered to the school in December.

Alsim has said its ALX FNPTII is compatible with the types of aircraft that are used in Prince Sultan Aviation Academy and can simulate all emergency situations together with all weather and environment conditions.
