

ONPP TECHNOLOGIYA AND AIRBUS GROUP SIGNED A COOPERATION AGREEMENT

News / Manufacturer

Airbus Group and ONPP Technologiya signed a **cooperation agreement**. The signed document confirms that the parties are interested in cooperation aimed at establishing a strategic partnership, press-service of ONPP Technologiya reported.

"The agreement defines major areas of cooperation. Among them are: training of ONPP Technologiya's employees at Airbus Group's sites; joint research and development work in the area of production of aircraft canopy and cockpit transparency as well as products made of polymer composites; cooperation in the area of commercialization of technical solutions by means of inter-cluster cooperation; etc," said in the statement.

"Signing the agreement with one of the world's leading companies will help take the work of our enterprise to a new level. I think that this cooperation will also give us an edge at the global market,» the press-service reports with reference to the enterprise's CEO, O. Kommisar.
