The costs of resuming the production of strategic bombers Tupolev-160 will be determined by the end of the year, the company's CEO, Nikolai Savitskikh, told the media on Friday.

"We have presented our proposals. Extensive work in terms of cooperation is in progress. By the end of the year we will make up our mind and say something more specific regarding the costs," he said, when asked if the Tupolev-160 bombers may begin to be built again.
