

LUFTHANSA TECHNIK: DR. JENS KRUEGER - HEAD OF CORPORATE COMMUNICATIONS & POLITICAL AFFAIRS

News / Personalities

On 1 October, Dr. Jens Krueger (43) will become **Head of the Corporate Communications & Political Affairs** at Lufthansa Technik AG in Hamburg. He succeeds Bernd Habel, who retired on June 30.

The trained journalist who studied economic history previously held a similar position with marine electronics specialists Atlas Elektronik, the German Aerospace Industries Association (BDLI), and most recently Premium AEROTEC, where he was responsible for extensively restructuring communication.

Dr. Jens Krueger worked as an editor and political correspondent for “Welt am Sonntag” and, before that, on Bavarian broadcasting television.
